- **Illegible Writing:** If Primary Solution Inc determines your handwriting cannot be clearly read, the entry is void.

##### **3. Formatting & Placement Errors**

- **Card Format:** Writing on both sides of the index card, folding the card, or failing to list the information in the exact order required.
- **Envelope Format:** Using an envelope that is not a standard white #10, or using an envelope that is lined or colored.
- **Quantity:** Including more than one (1) Request Card inside a single envelope.

##### **4. Address & Location Errors**

- **State Mismatch:** Mailing the envelope from a different state than the verified residential address on your User Account.
- **Identity Mismatch:** Using a name or address on the card that does not match your User Account or your government-issued ID.

In any dispute regarding the identity of the sender or whether the format complies with the rules, Primary Solutions Inc's decision is final and binding
